

A free solution for those with hearing loss.

Are you or a loved one missing out on important conversations? Hearing loss can be frustrating and lead to isolation. Now, there's no reason to be left out any longer.

If you are a resident of Florida and have a certified hearing loss, you can get the Clarity® XLC3.4™ Amplified Cordless Phone for FREE from Florida Telecommunications Relay, Inc. (FTRI), a statewide nonprofit 501(c)(3). Clarity phones are an easy-to-use solution that offer amplification and tone control so every call sounds crystal clear.

Call FTRI at 800-222-3448 to find out how you can hear loud and clear for free!
